Our County Federation

Monday, November 15, 1920, was a red letter day in the history of Inyo County for it was on that day that there arrived in Bishop three women who came to organize the women's clubs of the county into a federation. For several years Inyo county had had a federation extension secretary, Mrs. Leicester Hall, who had been instrumental in getting many of the clubs to join the state federation but there had been no county federation. After the death of Mrs. Hall, in which the club movement lost one of its most efficient workers, Mrs. George Vonderheide was appointed federation secretary and continued the work of bringing the clubs in the county into the state federation with gratifying results. In the fall of 1920 the matter of a county federation was taken up and on the 15th of November Mrs. S. T. Exley, president of the Los Angeles District, Mrs. J. C. Urquhart, District Chairman of Americanization, and Mrs. Gates, District Chairman of Music, came to assist with the organizing of the County unit. Those who attended

the meetings held that week in the four towns in the valley, Bishop, Big Pine, Independence, and Lone Pine, will long remember the inspiring and uplifting addresses made by these women.

Tuesday afternoon, November 16, at the Bishop opera house the county federation was formed with the following as officers: Mrs. George Vonderheide of Bishop, president; Mrs. E. H. Edwards, of Lone Pine, vice-president; Mrs. Nettie Webb, of Big Pine, recording secretary; Mrs. Jess Hession of Independence, treasurer. The history and work of the Woman's Improvement Club of Bishop was given by the president of the club, Mrs. F. K. Andrews, and a report of the work of the Athena Club was given by Miss Maud E. Truscott. Mrs. J. S. McQueen, Chairman of Indian Welfare for Los Angeles District, and whom the chairman introduced as the "Mother of Clubs in Inyo County," on behalf of the clubs, presented the guests with gifts in the form of Indian baskets. Mrs. W. C. Parcher was appointed County Chairman of Americanization.

From Bishop, the visitors were taken to Big Pine where a large and successful meeting was held, with the Friday Afternoon Study Club, which had been federated since 1917, acting

as hostess. The next meeting was held at Independence and here a new club was organized, the Women's Club of Independence. At Lone Pine the Varied Amusements Club had been federated with the state body since 1914 and as a result of the enthusiastic meeting held in this town the Parent Teachers Association and the Women's Athletic Club soon followed suit.

The next year on March 23 a county convention was held at Lone Pine at which time a constitution and by-laws were adopted and new officers elected. These officers were as follows: Mrs. Jess Hession, president; Mrs. W. S. Eldred, vice-president; Mrs. J. W. Dixon, recording secretary; Mrs. John C. Morris, treasurer. The federation now numbered eight clubs and interesting reports were made from the presidents of these organizations. The federation voted to assist in the publication of The Story of Inyo, by W. A. Chalfant, and with this worth while object to work for, the clubwomen felt that their county unit was firmly established. With each year the interest in the federation has increased and the organization has come to mean much in the community life of the valley.

In November of 1922 the county

was honored with a visit from the state president, Mrs. William A. Fitzgerald, and president of the Los Angeles District, Mrs. John C. Urquhart. These women spoke in all four towns and with their inspiring words and friendly attitude to all whom they met made many friends for the cause.

Last spring at the annual convention which was held at Big Pine the officers for the year 1923 and 1924 were elected as follows: Mrs. O. C. Houghton, president; Mrs. C. O. Dominy, vice-president; Miss Anne Margrave, recording secretary; Mrs. Frank Andrews, treasurer.

As each year has passed and the members of the federation have come together at board meetings or in conventions, there has grown up between them a bond of friendship such as must exist between people having the same ideals and working for the same cause, the progress of the community, and this friendship is daily and hourly helping to bring all of the people in our valley into closer harmony and helping us to know and respect each other more fully.
